January 24, 1965

Miss Liz Bierman
President, WMHC
Mount Holyoke College
South Hadley, Massachusetts

Dear Liz:

It is that time of year for WYBC to exchange visits of broadcasting-and-mixing with WMHC, and thus to resume the successful relations established between our two organizations last year at about this time.

If you-all would be interested in visiting us some Friday evening in February or March, would you suggest some convenient dates for you? I'm sure it would not be at all difficult to organize a safari from WYBC to you for almost any Friday you would suggest as a return date. Probably March 5 and 19 would not be good for us, but there is always April....

Let us know when we can work out something. It would be nice to see you all again.

Sincerely,

Edward C. Marschner
Chairman
